Dear Mr. Stiffler:

My name is Grace Loveall Jeschke and I am a researcher. Your request ended up in mail box at the library. The library staff can't do the research on the microfilm which is at the Highland Community College. So that's the reason your letter was placed in my box. I am very busy and behind in my correspondence as you can tell. We just returned from Texas yesterday evening and I am going in for out-patient surgery tomorrow A.M. in St. Joseph, MO. I wanted to get this mailed since so much time has elapsed. Sorry about that.

The item was not in the Vidette but in the Kansas Chief, Troy, KS. on April 10, 1919 and May 15, 1919. The results of the Hiawatha, Brown County trial are shown in the May 15th issue. I thought you would enjoy reading about that. There was no obituary found. I did not look in the White Cloud paper because I was in a hurry. If you would like for me to do this I can return some time when I feel better.

Hopefully, this is helpful for you. I see by your letter that you wanted to be advised of charges. If this does not meet with your approval, send whatever you feel is right. It might be forever, if it is delayed any longer.

Sincerely,

Grace Loveall Jeschke, Researcher

To Whom it may concern:

Christopher Columbus Beeler, a resident of White Cloud, Ks. spent much of his time and money in investing in real estate. He owned several homes and apartment buildings in the White Cloud community, all of which he rented to tenants. On April 2, 1919, Mr. Beeler was unfortunately murdered in a dispute with one of his tenants.

From your micro film records of the newspapers of White Cloud or possibly Troy I would like very much to have a copy of the articles pertaining to the unfortunate murder of Mr. Beeler, and a copy of his obituary, if available.

I have enclosed a SASE for your convenience of a reply. If there is a fee for copies requested please advise. I wish to thank you for your kind assistance.

Most sincerely, I am;

Jack Stiffler, Jr.
